A GREAT TIME GUARANTEED

Your adventure starts in the early afternoon as you hop in the saddle & ride through our native Australian bush – following Gap Creek as it meanders through the mountainous countryside. Find yourself on top of the world – in one direction, you will be overlooking our spectacular valley, the other gives you a view of Cunningham's Gap & Spicers Peak.

Our trail boss will guide you through our property giving you an insight into days gone by, pointing out relevant landmarks along the way. We have horses especially trained for taking beginner riders, as well as horses for the more experienced rider.

During the summer months, you may find yourself settling around your own campfire enjoying the vastness of the clear night sky seeing millions of stars like never before, and in the cooler months inside the main Coachhouse enjoying the warmth of the fireplace to keep Jack Frost at bay.

At the end of the day, a hearty meal will be served in the Coachhouse dining room to satisfy that empty tummy, then it will be time to sit back relax & enjoy great conversation around the Coachhouse Bar with old and new friends alike. Many a story can be shared to make a great night for all to remember, long after you have returned home.

In the morning, wake up to the sound of the country, enjoy a full country breakfast on the Coachhouse verandah. After breaky it will be time to get back in the saddle & head out for a comfortable morning ride, exploring a little bit more of our beautiful property before heading home.
