Are you looking for somewhere new to take your students in 2010?

Take this opportunity to experience the Australian bush under the supervision of our experienced team at Bestbrook Mountain Resort. Nestled between the rolling hills of the Great Dividing Range and straddling Gap Creek, we are just a few minutes away from the World Heritage listed Main Range National Park. Bestbrook offers you great country hospitality.

Located a short 90minute drive from Brisbane or 120minutes from the Gold Coast, Bestbrook offers you the perfect opportunity to take a break from the city and enjoy relaxed country living.

Bestbrook is an Australian, family owned and operated property, where everyone joins in. The Team at Bestbrook endeavours to create an experience you will remember long after you have returned home. Bestbrook has a variety of Accommodation styles on offer from self contained cottages to our village bunk house. Our village bunkhouse is perfect for student groups when children are a younger age and need to be kept together - all have electric heaters for those chilly nights. There is also the camping option for groups that are more independent and want to develop there bush survival skills.

Bestbrook offers you the authentic Australian Farm stay with comfort being of prime concern and enjoyment being of major importance. We endeavour to make our activities of interest to all ages and welcome any feedback so that we can maintain our standard of service to guests.

We offer the ideal opportunity for students and teachers alike, to learn about, take care of and ride a horse. Horse riding builds confidence thus building self esteem, improves balance and co-ordination. Your students will gain knowledge of horses in a safe and supervised environment whilst learning new skills and making new friends they will enjoy the Australian bush like never before.

We look forward to making your acquaintance in 2010

Ray & Elise Vincent
