Who shot the most hated man in town? Was it 'Snakeman' Waller? Or Warden Dave Cole? Or one-eyed Clementina Jones – the one they call "The Black Widow"? Everyone has access to a Colt revolver, so who could it be?
- **Murder on the Prairie** - Is set in the Wild West. Richard Woods – a wealthy landowner – was shot down while riding to town. Lots of people wanted him dead. But which one did it?
